

University Leadership Initiative Engineering Panel and Poster Session

Thursday, August 15, 2019

University of Tennessee: Mossman Atrium, 1303 Cumberland Ave, Knoxville, TN 37996

15:45 - 16:15	<p>Poster Viewing and Refreshments Presenters and attendees</p>
Workforce Development Panel: Charting Your Path Forward	
16:15 - 17:15	<p>William Milholen ULI Technical Officer, Research Engineer, Configuration Aerodynamics Branch, NASA Langley</p>
	<p>Tonya Shortt Assistant Director, Office of Engineering Professional Practice, University of Tennessee</p>
	<p>Jonathan Weigand Technical Analyst, Packaging & Transportation Engineering, Consolidated Nuclear Security</p>
	<p>Wilbert Wheeler NASA Pathways Intern, Marshall Space Flight Center, Tickle College of Engineering Ambassador</p>
Aerospace Engineering Internship Opportunities	
17:20 - 18:00	<p>Koushik Datta <i>NASA Internship and Pathways Programs</i> University Innovations Project Manager, NASA Ames Research Center</p>
	<p>Abdollah Khodadoust <i>Boeing Internship Programs</i> Head, Advanced Aerodynamic Design, Boeing</p>
18:00 - 19:00	<p>Evaluation of Posters Presenters and judges</p>
19:00 - 19:20	<p>Award Ceremony Hans Goertz, ULI Project Manager, University of Tennessee</p>
19:20 - 19:30	<p>Closing Remarks Stephanie TerMaath, Assistant Professor, Aerospace Engineering, University of Tennessee</p>

Poster Judges	
<p>Doug Aaron, Assistant Department Head, Undergraduate Programs, UTK/MABE</p> <p>Kyle Anderson, Senior Research Scientist and Assistant Branch Head for Computational Aerosciences, NASA</p> <p>Leo Chou, Aerodynamics Engineer, Boeing Research & Technology</p> <p>Kivanc Ekici, Assistant Department Head, Graduate Programs, UTK/MABE</p> <p>Khanh Pham, Aerodynamics Engineer, Boeing Research & Technology</p> <p>Craig Smith, Central Cooling Systems Team Leader, Research Accelerator Division, Oak Ridge National Lab</p> <p>Barry Totten, Agency Risk Coordinator, PM, Enterprise Risk Management Office (Department of Energy)</p>
